PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/27/2023, 02/13/2024, and 03/04/2024.

On February 23, 2022, the conditions of supervision release were reviewed with Twylah Miller. She signed a copy of her judgment indicating an acknowledgment of the conditions imposed by the Court.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4	<u>Special Condition #5:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: It is alleged that Twylah Miller violated the terms of her supervised release by consuming a controlled substance, methamphetamine and amphetamine, on or about March 22, 2024.

On March 22, 2024, Ms. Miller reported to the United States Probation Office. At that time, a sweat patch was applied. On March 27, 2024, the sweat patch was removed and sent to the lab for testing. The lab report has since been received and noted a positive result for methamphetamine and amphetamine. Ms. Miller denies use.

It should be noted that a sweat patch that was applied from March 8 to 11, 2024, returned with negative results from the lab.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
